

Diet Plan Bars

Looking at *Diet Plan Bars* category of *Balanced Protein Diet* products, you'll find a selection of meal replacement options and snack Bars that are nutritionally designed to be used with a high protein, low carb diet. Our nutritious low carb protein bars are delicious and fit into any daily meal or weight loss plan. Our low carb protein snacks are sure to "raise the bar" on satisfaction!

Each bar provides 12 to 15 grams of protein and will help with healthy weight loss. Try them as part of our [Balanced Protein Diet Plan](#). A healthy idea is to have a protein bar as a snack when you get a craving to satisfy you and take off that "edge". Combine a protein bar with high protein, low carb drinks and you have yourself a fulfilling low calorie meal!

Some of Diet Plan Bars from *Balanced Protein Diet* are:

- *Chocolate Dream Bar* from *ProtiDiet* is so delicious you'll think you're eating a Nestle Crunch Bar, but without the calories and sugar.

- *Crispy Bars* from *Healthy Diet* are perfect to use as a snack, meal replacement or as part of a calorie controlled weight loss program.

- *Chocolate & Caramel Crispy Bites* from *ProtiDiet* are a low carb protein bar combining delicious chocolate and chewy caramel with protein crisps for a soft, chewy and crispy treat.

- *Proti-Lean Protein Bars* are low carb high protein bars with 15 grams of protein, 17 grams of carbohydrates and 160 calories and comes in twelve delicious flavors.

- *Snack Bars from Balanced Protein Diet are protein bars used for weight management diet plans. Use as a snack or meal replacement.*
