Read the following passage, then answer the questions below:

The zoo is one of the most interesting places in Kuwait Zoo. A zoo is a place where we can see animals from different countries. Some people don't like zoos. They think it is cruel to keep animals in cages. Other people think that if the cage is large, the animals are not unhappy. The animals have good food every day and if they are ill, they are given medicine. They do not have to worry about animals. Small animals are safe.

Large animals like tigers, lions and elephants are unhappy in cages because they are used to live in wide open spaces.

Most children enjoy a visit to a zoo. They usually prefer to look at huge animals. Some of them are very unkind to animals. They throw things at them and annoy them.

Choose the correct answer from a, b c, or d:

Some animals are unhappy in a zoo because

- a-people dislike them
- b- the cages are large
- c- they are used to live in wide, open spaces
- d- they are given good food
