Read the following passage then answer the questions below:

Once a lion was asleep, a little mouse began running up and down on him. This awakened the lion, who placed his huge paw on the mouse, and opened his big jaws to swallow him. Other mice nearby ran away.

"Sorry, King!" cried the little mouse. "Forgive me this time. I shall never repeat it and I shall never forget your kindness. And who knows, I may be able to do you a good turn one day."

The lion liked the idea of the mouse being able to help him. So he lifted his paw and let him go. Later, a few hunters captured the lion, and tied him to a tree. After that, they went in search of a wagon to take him to the zoo. Just then, the little mouse happened to pass by. On seeing the lion's situation, he ran up to him and **gnawed** away the ropes **that** bound the king of the jungle.

"Was I not right?" said the little mouse. He was very happy to help the lion. We have to learn that "Small acts of kindness are greatly rewarded."
