SUBJECT INDEX

- abortion, and values disputes 273
- Abt Associates 816
- Abu Ghraib prison 508
- accommodative policy analysis 191, 192
- accountability 182 3
 - and democratic deficits 671 2
 - and democratic policy process
 - participatory reform 680 1
 - use of participatory forums 679 80
 - and globalization 588 9
 - and independent agencies 662
 - and networks 439 40, 486
 - and New Public Management 459 60
 - and nuclear systems analysis 798
 - and representative democracy 9
- accounting identities, and constraints on public policy:
 - budget balance constraint 530 3
 - external balance constraint 533 4
 - national income 534
- accretion effect, and regulatory policy 361
- action:
 - and institutions of democratic governance 691
 - and policy studies 6
 - and reconciling logics of 701 5
 - and rules of appropriateness 689, 690, 692 6
 - dynamics of 696 700
- activities, and origins of policy:
 - club regulation 222
 - non decisions 220 1
 - street level bureaucrats 221 2
- actor centered institutionalism, and policy networks 431 2
- actor structure problem 254
- administration, and politics 61
- administrative discretion 63
 - see also* discretion
- Administrative Dispute Resolution Act (USA, 1996) 290
- administrative law, and reason giving 7
- Administrative Procedure Act (USA) 235, 679
- Adoption and Children Act (UK, 2002) 211
- adverse selection, and information asymmetry 630
- advice, *see* policy advice
- advocacy coalitions:
 - and beliefs 255 6, 374
 - and explaining change 436 7
 - and human rights protection 13
 - and issue networks 428
 - and learning 373 4
 - and momentum 347
 - as ordering device 256
 - and policy making 24
 - running out ideas 25
- agency:
 - and learning 380 1
 - and power 547
- agency losses:
 - and information asymmetry 631
 - and organizational structure 639
- agenda setting:
 - and control over the agenda 229 32
 - congressional committees 230 1
 - European Commission 231 2
 - importance of 230
 - McKelvey Schofield 'chaos theorem' 229 30
 - and democratic theory 232
 - control of independent agencies 235 6
 - government by discussion 233 4
 - independent agency discretion 236 8
 - regulatory state 234 8

- role of elected officials 234
- and executive dominance 209, 217, 223 4
- and factors affecting process of:
 - chance 216 17
 - character of policy area 216
 - issue attention cycle 216
 - skill of policy activist/
 - entrepreneur 215 16, 217
- in globalization era 241 2
 - diminished democracy thesis 242 5
 - enabling potential of constraints 245 7
 - exogenous influences 247 9
- and interest groups 234
- and issue expansion 346
- and learning 367
- and methodological deficit 228
- and non decisions 220 1, 232
- and origins of policy 208 9
- and party government 217 18
- and policy processes 849
- and prioritizing 238 41
- and selective retention 347 8, 358
