Dear Sara,

Thanks for your last email. You wanted to know about my visit to America last summer. I went with my parents and my sisters Huda and Farah. We visited many interesting places like Walt Disney World, Times Square, Central Park and many others. We also enjoyed shopping in modern malls. But at the end of our journey, a very dangerous storm blew. It is called a hurricane. A hurricane is a strong storm with heavy rain and high speed winds. We were so scared and had to stay in a shelter. It is a place which kept us safe till the storm was over. In my next email, I will send you some pictures about it.

Yours, Fatma
