Read the email and answer the following questions:

Sara had a terrible day yesterday. It was the day of her vacation to Spain but it was a nightmare. She left the house at 10 o'clock in the morning and caught a taxi to the airport. Sara went to the check-in with her baggage. When the man who worked for the airline asked for her passport, Sara became very upset. Where was her passport? Sara realized she didn't have her passport with her. What a disaster!

She jumped back into the taxi and told the driver to take her home. The driver drove quickly and Sara arrived back at her house in twenty minutes. She ran into the house and went into her bedroom. She found her passport on the bedside table and left the house again. But the taxi wasn't there! Where was the taxi! Sara jumped up and down angrily. "I don't believe it. The taxi left!" She shouted. She ran down the street and looked for another taxi.

After a few minutes, Sara found another taxi and told the driver to take her to the airport as quickly as possible. The traffic on the roads was very bad and, unfortunately, Sara's taxi arrived at the airport late. Her plane left for Spain at 11.30 and Sara missed it. She was very sad and went to speak to the airline. They promised to get her a seat on an evening flight and Sara went home on another taxi to wait.
