Read the following passage , then answer the questions below :

When Emma came back home from work yesterday evening, she was very tired. Her husband wasn't there yet. She went to the kitchen and started to prepare soup for dinner. Then, she went to her bedroom. Emma wanted to relax a little. Yet she quickly slept, forgetting to switch off the gas cooker. Suddenly a fire began in the kitchen and started to spread to the other rooms.

When it saw the fire, the pet cat Prissy made strange loud noises near the sleeping woman. But Emma was so tired that she did not wake up. Prissy made louder noises and then it jumped on Emma's face. So, Emma opened her eyes and saw the smoke in the house. Emma was very scared when everything around her was burning. She has just time to run away from the house with Prissy and to shout for help. What Prissy did was really heroic. It saved Emma's life. Emma was proud of her smart cat.
