**RYDER**

**W**henever there's a problem in Adventure Bay, Ryder and his heroic team of pups, the PAW Patrol, are ready to help! There's no job too big and no pup too small. "PAW Patrol to the Lookout!" shouts Ryder.

"I'm all fired up!" says Marshall proudly. Marshall is the team's brave Dalmatian fire dog. He's always excited to race off on any ruff-ruff rescue, though sometimes his excitement can make him a little clumsy.

### **MARSHALL'S PUP HOUSE**

transforms into a fire truck. Inside his Pup Pack is a double-spray fire hose.

And no matter what happens, Marshall has a happy, can-do attitude!

"Chase is on the case!" barks the PAW Patrol's smart, organized police pup, Chase.

Chase is the athletic leader of the pack. He's a German shepherd who likes to do things by the book. He can herd traffic, block off dangerous roads, and sniff out the solution to any mystery.

#### **CHASE'S PUP HOUSE**

transforms into a police truck. His Pup Pack can provide him with a megaphone, a searchlight, a net, and other items that help his paws uphold the laws.

**SKYE**

"Pups away!" cheers Skye, the PAW Patrol's fearless daredevil.

This cockapoo pup is smaller than the other members of the team, but she never backs down from a challenge. She's ready to fly off on any adventure!

### **SKYE'S PUP HOUSE**

is a trailer that turns into a helicopter. Her Pup Pack is filled with things that help her take to the sky.

She loves snowboarding, playing her Pup Pup Boogie dance game, and getting paw-dicures.

“Rubble on the double!” barks Rubble, the team’s tough construction pup. Strong, helpful, and friendly, this five-year-old bulldog loves to build and dig. He stays active with skateboarding and snowboarding, but when he gets dirty, he enjoys long, warm bubble baths.

#### **RUBBLE’S PUP PACK**

opens to reveal a bucket scoop. His Pup House becomes a digger with a bucket shovel.

Can you dig it? Rubble can!

"Green means go!" cheers Rocky, the PAW Patrol recycling pup.

This mixed breed is one creative canine. He can find treasure in someone else's trash and use it to solve nearly any problem! As Rocky always says, "Don't lose it—reuse it!"

**ROCKY'S PUP PACK** has all kinds of tools, including a big mechanical claw.

When he needs to hit the road, his Pup House becomes a recycling truck.

"Let's dive in!" shouts Zuma, the team's water-rescue dog.

Zuma is the youngest member of the team, a five-year-old Labrador who is full of energy. He loves all things water-related—from surfing to diving, and even bathing!

### ZUMA'S PUP HOUSE

turns into a hovercraft, and his Pup Pack has air tanks and propellers to help him dive deep underwater.

"Ready, set, let's get wet!" says Zuma.

**PAW PATROL IS READY TO ROLL!**

**"Whenever there's trouble, just yelp for help!" says Ryder.**
