Heba had worked in nursing for many years. She was in charge of four other nurses and she was respected by each member of staff at the hospital. It was difficult and sometimes very stressful work. She was responsible for the health of a lot of people. However, she always felt happy when people recovered and finally went home again. She always found this very rewarding.

She worked such long hours that it was sometimes difficult to be sociable after work. She usually went home and watched a film on television with her family. She found this a good way to unwind.
