Practice Test
Grade 5 Term 1

Name : _____ Class: _____

Read this passage and answer the following questions :

Prince Sultan bin Salman bin Abdullah was the first Arab, Muslim, royal, and youngest person to fly on a space shuttle. At the age of 28, he became part of the crew to fly on the STS-51-G Discovery. From 17th June to 24th June 1985, Prince Sultan bin Salman bin Abdullah was in outer space.

He was born on 27th June, 1956 in Riyadh, Saudi Arabia. His father is King Salman and his mother is Sultana bint Turki Al Sudairi. He lived his early years in Riyadh and studied there, but then he moved to the United States to finish his education.

Prince Sultan bin Salman bin Abdullah is also well known for his work with charities and in 2005, he was given an award by the Kingdom of Jordan. He is also a member of the Disabled Children's Association. He is a very important man in the Arab world and is a great example to young people.

Part 1:
