Example.

	Gender	Age (approx.)
Character 0	F	10

[Character 0]: Every morning my parents take the whole family to school. We usually drive this one because it is big and we need a lot of space. We have to start early in the morning because the traffic can be really bad.

Narrator: Now, listen again.

[The recording is repeated]

Narrator: One.

	Gender	Age (approx.)
Character 1	M	10

[Character 1]: There are a lot of cars in my city and the roads are very busy. I like this because it's faster than walking and you don't get stuck in traffic jams! The driver can drive between cars, so we don't have to wait behind them.

Narrator: Now, listen again.

[The recording is repeated]

Narrator: Two.

	Gender	Age (approx.)
Character 2	F	10

[Character 2]: My friends and I all go to school this way. It is very cheap, and it stops right by my apartment. However, sometimes there are a lot of people and it can be slow when there is a lot of traffic.

Narrator: Now, listen again.

[The recording is repeated]

Narrator: Three.

	Gender	Age (approx.)
Character 3	M	10

[Character 3]: I really like using it when I visit Dubai. You can find it in the Dubai Creek and it takes you from the Bur Dubai side to the Deira side and back. It's a water taxi that many people use.

Narrator: Now, listen again.

[The recording is repeated]

Narrator: Four.

	Gender	Age (approx.)
Character 4	F	10

[Character 4]: The first time I saw it, I was surprised. It moves fast—not like a car—and there is no driver! Many people in Dubai take this because it is cheap and there is no traffic.

Narrator: Now, listen again.

[The recording is repeated]

Narrator: Five.

	Gender	Age (approx.)
Character 5	M	10

[Character 5]: I like using it during winter when it is not hot! I travel fast, and I keep healthy because it is good exercise. But I have to be very careful because the roads can be dangerous with so many cars.

Narrator: Now, listen again.

[The recording is repeated]

Narrator: Six.

	Gender	Age (approx.)
Character 6	F	10

[Character 6]: There're so many all over the UAE! In Sharjah, they are green and white. They are quite cheap, and the drivers are usually very polite.

Sometimes you spend a lot of time in traffic. That's when you want a bicycle.

Narrator: Now, listen again.

[The recording is repeated]

Narrator: This is the end of Part 1.

Part 2

Narrator: Grade 5. Listening: Part 2. Listen to Ali and Mohammad talking about landmarks in the UAE and circle the correct answers. There is one example. You will hear the recording twice. First, you will have thirty seconds to look at the questions. [PAUSE]

	Gender	Age (approx.)
Ali	M	11
Mohammad	M	11

Ali: Mohammed, which is your favourite Emirate?

Mohammad: Well, Ali, we live in Sharjah, but to tell the truth, I think my favourite is Fujairah. What about you?

Ali: My favourite is Dubai. There are so many things to do there and of course the Burj Khalifa is very beautiful.

Mohammad: I like the Burj Khalifa too as it is the tallest building in the world. But my favourite landmark in the UAE is the Sheikh Zayed Grand Mosque in Abu Dhabi. Did you know it is one of the largest in the world?

Ali: Yes, of course. And the Grand Mosque is also one of the most visited landmarks. It's a great tourist attraction.

Mohammad: You are right, but tourists also visit Fujairah for the Al Badiyah Mosque because it is the oldest in the UAE. It is on the way to Dibba.

Ali: Next time we have a holiday my father told me we'll go to Ras Al Khaimah. He wants us to visit the Dhayah Fort. Many forts are old and on the coast. This is the only fort in the UAE to be on top of a hill.

Mohammad: That will be very interesting. Maybe my family will visit too!

Ali: That would be great! Perhaps we can go together. Let's go home and talk to our parents.

Narrator: Now, listen again.

[The recording is repeated]

Narrator: This is the end of Part 2.
