Activities

I am Fatima and I want to talk about what activities I like and dislike. The activity which I like most is painting. I also like swimming but I prefer painting. I go to an after-school painting club where my teacher gives me a lot of help. She shows me a lot of ways to use different colours and I can make the pictures which I paint look much better. Even at home, when I am not doing my homework, I love to paint. My mum takes me swimming every Wednesday night. I used to be scared of the water but now that I can swim, I really enjoy it.

I don't like fishing. At the weekend, my father takes my brother fishing, but I don't go as I don't like to catch fish. I think I am scared of the fish. I would like to go horse riding, but my father says I am little, and the horses are very big animals. He believes I will be scared of the horses as I am scared of little fish.
